Behaviour management policy (reviewed 18.2.16)

Statement of intent

Our preschool believes that children flourish best when they know how they are expected to behave and should be free to play and learn without fear of being hurt or unfairly restricted by anyone else.

Aim

We aim to provide an environment in which there is acceptable behaviour and where children learn to respect themselves, other people and their environment.

Methods

We have a named person who has overall responsibility for issues concerning behaviour. This person is currently Claire Cable.

We require the named person to: -

- keep her/himself up to date with legislation and research and thinking on handling children's behaviour;*
- access relevant sources of expertise on handling children's behaviour;*
- check that all staff have relevant in-service training on handling children's behaviour. We keep a record of staff attendance at this training.*
- We require all staff, volunteers and students to provide a positive model of behaviour by treating children, parents/carers and one another with friendliness, care and courtesy.*
- We require all staff, volunteers and students to use positive strategies for handling any conflict by helping children find solutions in ways which are appropriate for the children's ages and stages of development, for example distraction, praise and reward.*
- We familiarise new staff and volunteers with the preschool's behaviour policy and its rules for behaviour.*
- We expect all members of the preschool: children, parents/carers, staff, volunteers and students, to keep to the rules, requiring these to be applied consistently.*
- We praise and endorse desirable behaviour such as kindness and willingness to share.*
- We avoid creating situations in which children receive adult attention only in return for undesirable behaviour.*
- We recognise that codes for interacting with other people vary between cultures and require staff to be aware of, and respect, those used by members of the preschool.*

- *When children behave in unacceptable ways, we help them to see what was wrong and how to cope more appropriately.*
- *We never send children out of the room by themselves.*
- *We never use physical punishment, such as smacking or shaking. Children are never threatened with these.*
- *We only use physical restraint, such as holding, to prevent physical injury to children or adults and/or serious damage to property. Details of such an event (what happened, what action was taken and by whom, and the names of witnesses) are brought to the attention of our preschool leader and are recorded in our Incident Book. A parent/carer is informed on the same day and signs the Incident Book to indicate that they have been informed.*
- *In cases of serious misbehaviour, such as racial or other abuse, we make clear immediately the unacceptability of the behaviour and attitudes, by means of explanations rather than personal blame.*
- *We handle children's unacceptable behaviour in ways which are appropriate to their ages and stages of development, for example by distraction, discussion or by withdrawing the child from the situation. If, after three requests to change unacceptable behaviour, a child persists in this behaviour, we may consider using the green 'fresh start' chair. The child will be asked to sit here for a short time and think about their behaviour. This is in line with Stamfordham First School policy.*
- *We work in partnership with children's parents/carers, who are regularly informed about their child's behaviour by their key person. We work with parents/carers to address recurring unacceptable behaviour, using objective observation records to help us to understand the cause and to decide jointly how to respond appropriately.*

Bullying

Bullying involves the persistent physical or verbal abuse of another child or children. We take bullying very seriously.

If a child bullies another child or children:

- *we intervene to stop the child harming the other child or children.*
- *we explain to the child doing the bullying why her/his behaviour is inappropriate.*
- *we give reassurance to the child or children who have been bullied.*
- *we help the child who has done the bullying to say sorry for her/his actions.*
- *we make sure that children who bully receive praise when they display acceptable behaviour.*
- *we do not label children who bully.*
- *when children bully, we discuss what has happened with their parents and work out with them a plan for handling the child's behaviour.*
- *when children have been bullied, we share what has happened with their parents, explaining that the child who did the bullying is being helped to adopt more acceptable ways of behaving.*
